Tuition Fee

Tuition Fees include tuition, careers counselling, pastoral care, use of library and sports equipment, use of College facilities and computers.

Levies

- The Building Levy supports the capital development of college facilities.
- The Technology Levy contributes to the funding and development of Information Technology which includes provision of computers, internet access and development of the College's intranet.
- Fees Protection Insurance is a compulsory charge on all Tuition Accounts and provides for continuation of tuition in the event of death or permanent disability of either parent where they are both signatories to the Acceptance of Offer documentation. Cover is extended to age 70 for death and 65 for permanent disability.

Payment of Fees

- Fees may be paid by electronic transfer. Details of student and date of transfer to be faxed/emailed to the Bursar (details below).
- Alternatively cheques should be payable to **Queen Margaret College** and addressed to the Bursar.
