

EOTC (Education Outside the Classroom)

Every student is involved in EOTC.

Year 11 goes for five days to camp and tramp in the beautiful **Abel Tasman National Park**.

During the year we can arrange specialist **tennis coaching, a soccer academy, golf** as well 30 more traditional sports eg **basketball, waterpolo, hockey, athletics**.

We also have many students who do **horse riding, karate, kayaking, dance (from Hip Hop to ballet), surfing, skiing** etc. As we are only a four hour drive from the mountains many students go skiing and snowboarding every weekend.

Students also have the opportunity to go **sailing on the beautiful Spirit of Adventure** www.spiritofadventure.org.nz)

Many of our students participate in the **Young New Zealanders Challenge** and go on tramps and outdoor expeditions.
