

New Zealand Education Results Compared to All Other OECD Countries

In the latest PISA study of OECD countries, **New Zealand students recorded the highest grades in all subjects tested** (compared to all English speaking countries)

- **Maths**
- **Science**
- **Reading**

(page 19) of the PISA Report “Top of the Class “

| | World ranking | Ranking compared to All English Speaking Countries |
|-------------|---------------|--|
| Science | 2nd | 1st |
| Reading | 3rd | 1st |
| Mathematics | 8th | 1st |

Along with many elements of the NZ curriculum, in 2010 Queen Margaret College & Scots College will also offer the **International Baccalaureate**. Students can choose to do IB or the New Zealand qualification – the NCEA.
