

## **Subjects within the Classroom**

At school we have many interesting and different subjects

- Design (including fashion)
- Computer Design
- Photography
- Media Studies (where students get to make short films),
- Drama (full productions and solo performances)
- Physical Education
- Music – composition, theory & performance
- Economics and Accounting (and the possibility of running your own business)
- 

We also offer the usual subject such as Mathematics, Classical Studies, French Japanese and Sciences. Look at the NCEA page under Learning on this website and you will find PDFs of the Year 11 and Year 12 Course Booklets.

You can even **learn to run your own business** with the help of teachers & professionals from the business community as part of the **Young Enterprise Scheme**

<http://www.enzt.co.nz/~yesWeb/index.asp>

During the holidays there are courses students can attend at the university. **Staff also run workshops at school during the holidays.**
