Student ID Snapper Cards

If you wish your daughter to have a snapper enabled student identification card please complete the slip below and return it to the College office. The snapper cards can be used on the GO Wellington buses, at the school tuckshop and various other retailers.

Users are responsible for the ‘feeding’ of their cards. This can be done at school using Eftpos or you can load funds on the cards online or at other snapper outlets. Snapper feeding is not able to be charged to College accounts.

The cost of a Queen Margaret College snapper enabled card is \$20 which will be charged to your daughter’s account.

Yours sincerely
