

Dear Parents

TERM TRAIN PASSES

TRANZ Metro’s policy for school term tickets is to allow one week’s grace for Term One. For Terms Two, Three and Four, pupils are required to have in their possession their School Term tickets from the first day of the new term.

We are preparing our Train pass list for 2010 and ask that you complete the form below and return it to the College by **Monday, 11th January 2010**, if your daughter requires a train pass. Upon receipt of the form, your daughter’s name will be placed on our 2010 list. The cost of the passes will be billed to your Tuition Account. **This authority form is required for all pupils ordering a Train Pass for 2010.**

NZ BUS MONTHLY BUS KINGS

These passes may be purchased from the College and the cost debited to your Tuition Account. If you wish your daughter to purchase her passes through the school, please complete the appropriate portion of the form below and return it to the College office. **The Bus pass authority form is only needed from new pupils to the school –** the current forms are still valid for present pupils.

The College also supplies Student ID Snapper cards for use on the buses. The Snapper information form is published separately.
