Notes:

1. It is important that all relevant information about the student is included in this application. This information is used to ensure that the student is supported properly upon arrival and while enrolled, and to match them with suitable homestays, teachers and courses. Where information is included relating to health issues or learning needs, disclosure of this information will not automatically disqualify the Student from Enrolment. However, failure to disclose information or providing misleading information may result in the withdrawal of an Offer of Place or termination of a Contract of Enrolment.
2. The Education (Pastoral Care of International Students) Code of Practice 2016 requires that all students under 10 years of age must live with a parent or legal guardian in New Zealand while enrolled at a school, unless they are accommodated in a school hostel. Where a student under the age of 10 years is found to be living in accommodation other than with a parent or legal guardian, or in a school hostel, they will not be permitted to attend school and this will result in the withdrawal of an offer of place or the summary termination of a contract of enrolment.

24. Where the Student is in the care of a Residential Caregiver, the School shall seek specific written consent of the Parents before the Student participates in any activity either organised by the School or by another party which are considered to be adventure activities or extreme sports or are activities that are organised by the School and require the Student to stay away from their regular accommodation overnight.
25. Where the Student is in the care of a Residential Caregiver, except in the circumstances described in clause 24, this agreement is deemed to be written consent of the Parents for any activity organised and/or supervised by the School, including trips and physical activities, regardless of whether consent is sought from domestic students in relation to the same activity.

Disciplinary Policy

(Schedule Two)

1. The following is the School's current disciplinary policy for dealing with breaches of the Agreement. This is not intended to restrict the School's general power of discipline and this policy may be changed from time to time at the discretion of the School.

Overview

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage disciplinary process.
3. In Stage One, the School will investigate and determine the facts, and will reach a conclusion on what happened and whether it amounts to a breach of the Agreement.
4. In Stage Two, if the School has determined that a breach has occurred, the School will consider the appropriate response to that breach, up to and including termination of the Agreement.
5. The Student and the Parents will have an opportunity to provide a response to the alleged breach that the School is investigating (**the Allegation**) and any proposed disciplinary action that the School is considering taking (**the Proposed Action**).
6. This policy does not limit the School's power to take appropriate disciplinary action urgently and without following this process if this is necessary having regard to the seriousness of the breach.
7. This policy also does not limit the School's power to suspend the student for the duration of the disciplinary process where suspension is considered necessary for the safety or education of any person.

General Policy

8. When the School is conducting a disciplinary process involving the Student it will endeavour to provide the Student and the Parents with the following:
 - (a) a written summary of the Allegation or the Proposed Action;
 - (b) an opportunity to respond to the Allegation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
 - (c) an opportunity to consider the Allegation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Allegation or the Proposed Action) before giving a response;
 - (d) an opportunity to hear from the Parent before giving a response, unless the delay caused by contacting that person is unreasonable having regard to the seriousness of the Allegation or Proposed Action;
 - (d) an opportunity to have an independent support person of the Parents choice present at any meeting relating to the disciplinary process;
 - (e) an opportunity to meet with that support person in private at any stage during the disciplinary process;
 - (f) an opportunity to have a translator present (or otherwise facilitate the student participating in the process in his or her own language) during any meeting or process if the School or the Parents considers that a language barrier means that a translator is required; and
 - (g) a copy of this policy setting out the rights which the Student and the Parents have when engaging in the disciplinary process.

Updated May 2019

Stage One: Incident Investigation

9. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise warrant a disciplinary response, the School will notify the Student and the Parents of the Allegation and will provide them with an opportunity to give a response.
10. Where appropriate, having regard to the seriousness of the Allegation, the Parents and the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Parents. The School will receive this response and give it genuine consideration before making a decision about the Allegation.
11. When the School makes a decision about the Allegation it will advise the Student and Parent, in writing if possible, about its conclusion as to what happened and whether it amounts to a breach of the Agreement.

Stage Two: Outcome Discussion

12. If the School determines that a breach of the Agreement has occurred, it will advise the Student and Parent of the possible disciplinary actions that it will consider taking in response to the breach and will provide the Student and Parents with an opportunity to give a response.
13. Where appropriate, having regard to the seriousness of the breach, the Student and Parent will have the opportunity to respond either in person or in writing or both, at the choice of the Parents. The School will receive this response and give it genuine consideration before making a decision about the disciplinary action to be taken.
14. When the School makes a decision about the disciplinary action that it will take in response to the breach it will advise the Student and Parents of its decision, in writing if possible. The disciplinary action will not take effect, and no actions will be taken to put it into place, until the Student and Parents have been advised of the decision.

Key responsibilities of the student

Your daughter must bring her laptop to school every day, ready to use with a fully charged battery. The school does not provide charging stations for laptops so this is imperative.

Updates:

It is the student's responsibility to ensure all updates are applied to key software programmes, i.e, MS Office.

Backing Up:

It is the student's responsibility to maintain the health of OneDrive.

Start of year set-up time

An email will go out late January detailing your daughter's logon information and access to software downloads from our download portal. There will also be a day allocated before school starts for students to come in if they have any IT issues. At the start of the year there will still be laptop 'set up' sessions where all new students will activate their e-folio, and OneDrive as well as setting up their subject folders and running through the basics of computer usage, care and management. Internet safety and ethics will be covered at the outset, and other aspects of digital citizenship will be addressed over the course of the year.

Insurance

This is the responsibility of parents and they should ensure that their daughter's laptop is covered under their own home insurance arrangements. All students must bring their own padlock. All students and parents will be required to read and sign the College's Network Acceptable Usage Policy upon enrolment.
