Course details

Performances will be a major component of assessment. **Participation in the rehearsal process in both the production and devised standards will be assessed as well as the final performance.**

Assessments will take place at different times-(some may be assessed after school because of the time required) Plenty of notice as to where & when assessments will take place will be given. All assessments will be filmed for reference.

For the production standard each student will need to make themselves available **for half day Sunday rehearsals (from week 1 Term 2- week 8 Term 2) as scheduled by the teacher/director** In production week- each student **must** be available for a technical rehearsal and dress rehearsal which will be held outside of school hours. Failure to attend these rehearsals would mean failure to achieve the standard.

Course Information

- There is a written component for each performance standard that must be completed
- 18 credits are offered in the Year 11 programme overall

Homework expectations

Your daughter should be learning at home for a total of at least 10 hours per week, across all subjects.

Performance rehearsals for each performance standard (all of the internal standards) involve working in small groups. With the exception of the production standard where rehearsals are arranged by the teacher, each group is expected to organize their own rehearsal times out -of -class leading up to assessments. These rehearsals along with a small amount of supporting written work constitute homework requirements for Drama at this level
