For the production standard each student- **must** be available for a technical rehearsal and dress rehearsal which will be held outside of school hours. Failure to attend these rehearsals would mean failure to achieve the standard.

- 18 credits are offered in the Year 12 programme overall

Homework expectations

Your daughter should be learning at home for a total of at least 15 hours per week, across all subjects.

To achieve at a high level in this subject, students are expected to complete some homework during the week.

Performance rehearsals for each performance standard (all of the internal standards) involve working in small groups. With the exception of the production standard where rehearsals are arranged by the teacher, each group is expected to organize their own rehearsal times out -of -class leading up to assessments. These rehearsals along with a small amount of supporting written work constitute homework requirements for Drama at this level.
