Course details

This is a broad practical course in which each student will undertake a range of school-developed units of work. These will provide experiences in drawing, painting, Photoshop and printmaking using a broad range of materials. The course gives students the opportunity to develop their perceptual, imaginative, technical and critical skills through making Art. Also included is the development of a working knowledge of contemporary artists and their methods. The course provides students with necessary visual and technical knowledge that will enable them to pursue further study in the specialist Art disciplines of Painting or Printmaking in Year 13. Access to Photoshop CS4 is recommended but not required. It is recommended that students have successfully completed Level 1 Visual Art.

Course Information

- In 2019 Year 12 Painting and Printmaking is an optional subject.
- Year 12 Painting and Printmaking is assessed against three achievement standards. Each achievement standard has a number of credits allocated. When a student gains 'Achieved' for an achievement standard the credits contribute to her NCEA.
- Students can also gain different grades for each achievement standard: **Achieved, Merit, Excellence**. The grade achieved is determined by the quality of the work as measured against national standards.
- There is a consumables fee of approximately **\$63** which will be charged to student's school account.
- Students in this course are required to purchase the Adobe Creative Cloud suite for **\$32**. This gives them a one-year subscription to industry standard software such as Adobe Photoshop, Illustrator, and InDesign. This will be installed at school and charged to students' school accounts.
